

MATH-A-THON IS HERE!

Dear Parent or Guardian:

Children should not have cancer. That's why our school is excited to participate in the St. Jude Children's Research Hospital® **MATH-A-THON** program to help the boys and girls who are fighting deadly cancers at St. Jude.

MATH-A-THON is a free educational program that teaches our kids the importance of math while helping children in desperate need of cancer treatment. This year St. Jude has partnered with Scholastic to incorporate national math standards with the **MATH-A-THON** program. This will help our students practice and prepare for standardized testing.

Of course, the best reward for participating is knowing your family has truly made a difference to the children fighting cancer and other deadly diseases at St. Jude. You and your child make it possible for St. Jude to treat children regardless of the family's ability to pay. To learn more about the St. Jude mission of finding cures and saving children, visit www.stjude.org.

And please visit www.mathathon.org for additional information about the **MATH-A-THON** program.

St. Jude Children's Research Hospital®

IT'S AS EASY AS 1-2-3

1. Sign up for **MATH-A-THON** and set your fundraising goal.
2. Complete your Funbook filled with math problems. *(You can also go online to complete your Funbook.)*
3. Collect pledges from your sponsors and turn the money in by the deadline your teacher sets.

St. Jude patient Abby
7 years old
osteosarcoma

Parent/Guardian Signature

Date

CONSENT TO PARTICIPATION AND WAIVER, RELEASE AND INDEMNITY AGREEMENT

The undersigned individual for himself/herself and his/her children or ward(s) (collectively and individually referred to as the "Undersigned"), in consideration of allowing the Undersigned to participate in the *Math-A-Thon* activity that may include participation through internet based, online activities (referred to as the "Event") for the benefit of St. Jude Children's Research Hospital, Inc. ("St. Jude"), the Undersigned hereby consent(s) to the participation in the Event and voluntarily agree(s) not to bring suit, to forever release, to hold harmless, indemnify and defend St. Jude, American Lebanese Syrian Associated Charities, Inc. ("ALSAC"), and any other person, entity or sponsor connected with the Event, their respective directors, agents, employees (collectively the "Released Parties"), from all claims, actions and liabilities of any type that the Undersigned, at any time, may have that in any way arise out of the Event, including any negligent act or failure to act by the Released Parties.

The Undersigned represents that he/she is 18 years of age or older, or that if they do not meet this minimum age limit, that they have received parental or guardian permission to participate in the Event as evidenced by the parent's or guardian's signature hereon.

The Undersigned agrees to the use of his/her name and photograph in broadcasts, newspapers, brochures and other media without compensation.

By signing this Agreement, the Undersigned acknowledges that he/she has notice of the terms and conditions of the Notice to Parents at www.mathathon.org. ALSAC and St. Jude do not sell, rent or loan any personally identifiable information to anyone not acting on their behalf. If any provision of this Agreement is found invalid by a court of competent jurisdiction, the remaining provisions shall not be affected and shall be enforced.

IMPORTANT: ENTRANTS UNDER AGE 18 CANNOT SIGN THIS FORM; ONLY THEIR PARENT OR GUARDIAN MAY SIGN ON THEIR BEHALF.

HOW YOU MAKE A DIFFERENCE

Here are some examples of the services St. Jude Children's Research Hospital is able to provide because of fundraising efforts like **MATH-A-THON**.

DVD PLAYER

lifts children's spirits during treatment

Treatments can take an hour or longer – an eternity for an anxious child. A DVD player can help pass the time with funny or inspirational movies.

DVD player = \$50

COLORFUL CRUTCHES

giving loving support

Young patients appreciate a pair of colorful, perfectly sized crutches. They keep a child independently mobile, ease the risk of muscle weakness and contraction and boost self-confidence.

One pair of crutches = \$85

DELICIOUS MEALS

warm hearts and tummies

Meal cards can help patients and families enjoy the comfort and convenience of good, nutritious meals in our cafeteria.

Breakfast, lunch and dinner for a child and parent

1-day meal card = \$30

3-day meal card = \$90

7-day meal card = \$210

When you make a donation, it will be used to provide breakthrough research, treatment and cures. Items shown are representative of services and supplies that are part of the treatment and care of children at St. Jude. The cost of each item or service is an approximation and will vary based on actual costs incurred and individual patient needs. Your donation will be used for the general operating needs of St. Jude, where no child accepted for treatment is ever turned away because of the family's inability to pay.

THANK YOU

for allowing your child to participate in **MATH-A-THON**.
You and your child will make a difference in the fight against
childhood cancer and other deadly diseases.
